The River Axe Canoe Race - Sunday 23rd March 2025

The race starts 5 miles south of Axminster at Whitford Bridge M/R 263953 (nr EX13 7NN). The river Axe twists and winds its way through the Axe Valley for 4 miles before opening out onto the estuary, with a further 1 mile of racing to the finish at Axmouth Harbour (AVCC club within the Axe Yacht Club marina) (nr EX12 4AA).

Separate classes and age categories allow for fair competitive racing and there are medals for all classes. Free refreshments are available to all competitors.

Free refreshments are available to all competitors at the end of the race.

Note: There is limited parking at Whitford, so it would be ideal if you could arrive in time to drop off equipment at Whitford, then drive down to the end (10 minutes at most) and park in the Axe Yacht Club (where there is ample parking) and then get a shuttle back to the start.
